

## ABOUT THE SPEAKER

MARIANNE SORATORIO DYOGI is a wife, mother of three, a Catholic School teacher and a Creighton Model FertilityCare Practitioner. Each aspect of her life has a unique story all its own. Shortly after being accepted as a candidate with the Carmelite Sisters of the Most Sacred Heart of Los Angeles, Marianne was diagnosed with lupus in 2003 then met her husband Gary in 2004, realizing quickly that the journey God was taking her on would be full of unexpected twists and turns – and pleasant surprises.

A passionate advocate of courtship, Marianne has witnessed first-hand how a man can truly win a woman's heart and treasure her for the gift that she is. She and Gary devote much of their ministry involvement to promoting purity among young people and sharing their love story with those who want to

know what God wants for their relationships. Drawing from Scripture, the lives of married saints, and Blessed Pope John Paul II's *Theology of the Body*, Marianne teaches through the **BELOVED** talks that pure and holy love is possible today...that godly men **are** out there...and that God's beautiful plan will unfold before our eyes if we just let Him love us FIRST.
